ARCO® CORDLESS PROFESSIONAL EQUINE CLIPPER

THE ORIGINAL '5 IN 1' CLIPPER

The original '5 in 1' clipper, the Wahl **Arco Equine** is the tried and true cordless option for precise trimming of faces, ears, and muzzles. The Arco is powerful enough to shave through bridle paths and fetlocks, while is still quiet enough to keep noise-sensitive animals comfortable and calm.

The Arco kit comes with 2 removable batteries that each have a run time of 80 minutes. With a 75-minute full charge time, keep one battery on the charger and the other in the clipper to ensure continuous all-day clipping.

Ergonomically designed to fit comfortably in your hand, the Arco is lightweight to prevent wrist and shoulder fatigue.
